Blank Deeds, Mortgage Deeds and Chattel Mortgage Deeds for sale at this office.

The Dramatic Club held its regular meeting Saturday night. Another play will be acted shortly.

Mr. Jas. Dixon, of Chattanooga Building and Loan Association, was in town Monday evening and left for Jasper Tuesday.

Miss Myrtle Rogers has been visiting at Jasper recently. Several of our young men are looking rather lugubrious in consequence.

Wm. Houts, of Brownsville, was in town Monday. He has lately had built a new house and thinks he will like it better than paying rent.

The chances are that if possible 500 acres of wheat will be planted right here for the coming year. Shall we have a mill to take care of it on the spot?

The proper thing for the farmers to do now is to attend to anything which is needed on their farms, so that when the rain comes all can take hold of the plowing.

A pain in the chest is nature's warning that pneumonia is threatened. Dampen a piece of flannel with Chamberlain's Pain Balm and bind over the seat of pain, and another on the back between the shoulders, and prompt relief will follow. Sold by C. H. Davidson.

Gustafson Bros. at the Valve Works, have lately filled an order for valves for the Roane Iron Company, and keep steadily on making tapers and coolers for the T. C. I. & R. R. Co. The tapers now constructed are from the plans and designs of Col. Gains, who has applied for a patent.

Those who believe chronic diarrhoea to be incurable should read what Mr. P. E. Grisham, of Gains Mills, La., has to say on the subject, viz: "I have been a sufferer from chronic diarrhoea ever since the war and have tried all kinds of medicine for it. At last I found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy." This medicine can always be depended on for colic, cholera morbus, dysentery and diarrhoea. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by G. H. Davidson.

W. C. Moore, who formerly kept a grocery at this place, was along with the Chapel boys, and inspired a very satisfactory game.

S. P. Pryor has gone to Pikeville. He will be engaged in church work until Christmas and after that will enter school at that place.

The dry weather still continues. We are almost afraid to say how many weeks it is since we had rain but the fact is we want rain and want it bad.

The meeting at McNabb mines closed on Sunday at 11 with 33 conversions, 35 accessions, and 15 baptisms. The services will be resumed Oct. 30 at the same place.

At public Sale on Saturday the Pryor effects were disposed of. Mr. S. P. Pryor goes to Pikeville for a year. W. S. Pryor will board with Mr. and Mrs. V. Lasater, and Edgar and Edwin will live with their brother Mathew.

Says the Pikeville Banner of last week: The protracted meeting held by Rev. Whitener, of Dayton, and Rev. Sam Pryor, of Sequachee, has been attended by large and attentive audiences. The meeting will continue until Saturday night.

A few weeks ago the editor was taken with a severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results, is putting it very mildly indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to any one afflicted with a cough or cold in any form.—The Banner of Liberty, Libertytown, Maryland. The 25 and 50 cent sizes for sale by C. H. Davidson.

Meeting at McNabb Mines.

The meeting at Rock Church, McNabb Mines was opened by the Rev. Jacob Houts, Sunday last, when the funeral of Mrs. Polly Hale was preached. The services have been continued from day to day until Friday evening and this has resulted in 32 conversions, 11 being on Friday evening. A strong religious sentiment seems to be prevailing in the community, and the meetings will be continued. Some 50 people have already joined the church.

Croup Quickly Cured.

MOUNTAIN GLEN, Ark.—Our children were suffering with croup when we received a bottle of Chamberlain's Cough Remedy. It afforded almost instant relief.—E. A. THORNTON. This celebrated remedy is for sale by C. H. Davidson.

Victoria.

Dr. J. R. Gott, of Inman, was in the city Monday.

Supt. Anderson was in the city Thursday evening.

It is reported that the coke ovens at this place are—are—are—here.

Making molasses seems to be the leading attraction in Victoria this week.

Miss Etta Cannon spent last week at Oak Grove, visiting her sister Mrs. Alder.

Capt. B. M. Rice, of Inman passed through here Monday en route to South Pittsburg.

Geo. Doss has been reinstated as brakeman on the railroad, which we are glad to learn.

Mr. B. B. Rodgers has opened up a new grocery store at this place. We wish him much success.

Mr. L. G. Brown, of Chattanooga came out Monday evening and spent the night with his nephew, J. B. Womack.

Alex. Doss says he will have to buy about thirteen gallons of molasses to help pay his men for working up his cane.

Misses Jennie and Lizzie Brophy went to Jasper Tuesday morning to attend the funeral of the infant of Mr. and Mrs. Geo. Rollins, of Pikeville.

Mr. W. A. Turner has been appointed postmaster at this place. As we have to have a republican pm, we think the selection was all right.

Miss Ida Rollins, of Pikeville is visiting the family of Mr. Ed Brophy this week. Miss Ida is an accomplished young lady and her many friends are always glad to have her with them.

We are sorry to learn that our neighbor and friend Mr. L. A. Deakin and family will move to Chattanooga for during their stay they have endeared themselves to us, and it is hard to give them up. We wish them much prosperity and happiness in their new home.

We understand that an entertainment is to be given in the near future at the new school house, for the purpose of buying some books for the Sardis Sunday school. The committee has been appointed to prepare a program and set a time for the entertainment, which will be sent to the News for publication. Mr. W. A. Turner and Mrs. Minnie Young will superintend the affair.

On Tuesday night quite a crowd of our young folks, and a few older ones decided they would have an old time "candy stretching," so about dark a good crowd had gathered at the cave mill near the residence of Mr. A. Doss. Mr. Lewis the polite and obliging foreman of the mill gave us a gallon of molasses and then the fun began. It was hard to tell who was chief cook Mr. Lewis or Womack, though they both had a finger in the pie. After the candy was made, Misses Etta Lewis and Etta Cannon seemed to be the only experts at "stretching." Womack had a very nice piece of candy, but in the fourth round he "dropped his candy" in the sand, so that it ruined the taste of it. Mrs. George Doss knows exactly

how to make the young people enjoy themselves at such places, as she sees that they have plenty of lard to keep from getting "stuck." Misses Etta Cannon, Josie and Callie Doss carried their candy home, and will mail it to their best fellows as soon as it will do to mail. It was a hard matter to keep Wash Kilgore from taking the whole pot full home, as he thought it was enough to do him and his wife a winter. John Beach and Mr. Jones were too lazy to pull any candy, so they were begging what they could.

Caroline Chapel.

Miss Mary Francis is seriously ill.

W. C. Moore was in Jasper Monday.

I. N. Knox was in Jasper last Monday.

Mrs. W. G. Spangler visited Miss Mary Francis last Wednesday.

Mrs. Wash Kilgore, of Victoria, was visiting home folks last Monday.

Rev. George Rogers will preach at the Chapel next Saturday night and Sunday.

Mrs. Newt Knox is thought to be some better at this writing but is still very low.

Mr. Jeff Lewis has already harvested about 100 bushel of peas and is not through yet.

Mrs. Lon Smith, of Alabama, is visiting her sister Miss Mary Francis who is very sick.

Mr. J. H. Wiseman and family, of Dickson's Cove, were visiting at William Sharp's last week.

We deeply sympathize with Mr. and Mrs. U. G. Harris in the loss of their little infant. It was buried at the Knox graveyard Tuesday evening.

Prof. Graydon closed his singing school at this place last Thursday night. There must be something more enticing to the Professor than teaching a singing school as he seems loath to leave us, in so much as he began another singing school at the Chapel last Monday commencing at 1 p. m., every day.

Our school at this place we are sorry to say will soon close. We think the community should give Prof. Henson the praise for the quietness he has had in the school this year. There has been no fighting or scratching as is usually the case at this place. Everything has passed off so smoothly and well, that we think he deserves great credit from both parents and children.
